Invitation to All Law Firms

Lawyer.co.za is a new ‘attorney listing’ website, but with a difference!

This website has lots of free information for members of the public: More than 365 FAQs on a wide variety of legal topics, as well as more than 250 Acts, free and updated. Members of the public can also locate an attorney or law firm. We dare say that this website is the largest free internet resource with regard to lawyers and the law in South Africa today.

With the explosion of internet usage in South Africa, members of the public are now researching topics online, including the law, and also when they require the services of an attorney or law firm.

Registration of your law firm via the website is simple and takes only a few minutes. The cost is R 180 per month, irrespective of the number of offices your firm may have. This includes your firm’s listing on the Afrikaans website www.prokureur.co.za. For larger law firms with more than 25 attorneys the cost is R 500 per month. There are no contracts or annual increases and you can cancel your firm’s subscription at any time. Visit us and register your law firm on www.lawyer.co.za
