Looking for a Candidate Attorney?

Legal Education and Development, a division of the Law Society of South Africa, renders a free service that is beneficial to both prospective principals and prospective candidate attorneys.

This free of charge service operates as follows:

- Information regarding prospective candidate attorneys (law graduates) is gathered and kept in a databank. This information includes personal particulars, degree(s), working experience etcetera.
- Prospective principals contact Legal Education and Development (LEAD) if they need to appoint a candidate attorney.
- The data service will provide the prospective principal with the information required.
- The prospective principal then contacts the candidates of his/her preference to arrange interviews.

This project is made possible through the subvention by the Attorneys Fidelity Fund.

Should you wish to participate in this project, please feel free to contact: Dianne Angelopulo at (012) 441 4622 or e-mail: dianne@LSSALEAD.org.za
