Why you should use Rode & Associates (Pty) Ltd as your property valuation firm

With so many (alleged) shenanigans in the listed property sector, you should consider using a valuation firm that has the highest credibility in the industry.

Rode is one of South Africa’s large independent property valuation firms and has been the annual overall top performer in the pmrafrica awards since 2015. For more info on these awards, visit our website at: www.rode.co.za.

Our credibility has been built over 31 years and is partially based on rigorous research. After all, we are also property economists of note and town planners and publishers of the esteemed Rode Reports – used by banks as a ‘bible’. All our valuers have post-graduate degrees.

Contact our head of valuations, Marlene Tighy BSc (Wits) Hons (OR) (RAU), MBL (UNISA), Pr Sci Nat), by email at mtighy@rode.co.za or tel. 086122 44 88.

Estate Laws - Estate Flaws

What the will drafter and the executor of a deceased estate should take into account

The drafting of a will and the administration of an estate are

no longer the simple, straightforward matter they used to be,

as can be seen from a number of controversial court cases recently.

This morning seminar will show you

how to avoid the most frequent errors and a number of less common pitfalls

in performing your professional duties. These pertain to both the drafting of the will and the administration of the estate.
