CONVEYANCING & NOTARIAL PRACTICE

Yes, it IS possible to pass first time round

WHY?

You'd like to expand your legal power with a Conveyancing / Notarial skill set. But standards are sky high. The exams are challenging due to the large volume of work and your time constraints. So given the high fail rate - and your current work load - is there a way you can pass on first attempt, with no prior experience?

GAWIE LE ROUX PREPARATION COURSES

There is simply no other set of lectures and notes available that meets the standard and exposition of these prepared courses refined and honed over 24 years.

"We work as a team. From us you get a 100% practical course, the best updated lectures and notes. What you must provide is 100% focus and hard work. Given this preparation and the right attitude, there is no reason why you can't pass first time round." Gawie le Roux

GIVE YOURSELF A HEAD START

Enroll early and get your full set of study notes in advance (English or Afrikaans). Give yourself the best chance to pass in 2018*. Everything you need to go into that examination room with full confidence is included; a comprehensive set of study notes - no need or extra costs for additional hand books and material.
