CENTRE FOR CONVEYANCING PRACTICE

Preparation courses for the examinations
of the Law Society of South Africa

CONVEYANCING & NOTARIAL PRACTICE

Yes, it IS possible to pass first time round

WHY?

You'd like to expand your legal power with a Conveyancing / Notarial skill set. But standards are sky high. The exams are challenging due to the large volume of work and your time constraints. So given the high fail rate - and your current work load - is there a way you can pass on first attempt, with no prior experience?

GAWIE LE ROUX PREPARATION COURSES

There is simply no other set of lectures and notes available that meets the standard and exposition of these prepared courses refined and honed over 24 years.

"We work as a team. From us you get a 100% practical course, the best updated lectures and notes. What you must provide is 100% focus and hard work. Given this preparation and the right attitude, there is no reason why you can't pass first time round." Gawie le Roux

GIVE YOURSELF A HEAD START

Enroll early and get your full set of study notes in advance (English or Afrikaans). Give yourself the best chance to pass in 2018*. Everything you need to go into that examination room with full confidence is included; a comprehensive set of study notes - no need or extra costs for additional hand books and material.

CENTRE FOR CONVEYANCING PRACTICE

2 x stand-alone seminars

AGREEMENTS OF SALE

New, practical update • *Voetstoets* repeat

WHY?

The most recent court judgments highlight the astonishing mistakes made in the drafting of agreements, by both experienced laymen and professionals. These two seminars give you the opportunity to learn from the mistakes of others and stay on top of your game.

- **Seminar 1: A practical update of the following three clauses**

(i) Transfer costs, (ii) Transfer attorney and (iii) the Breach clause, of which the latter can be a minefield on its own.

- **Seminar 2: *Voetstoets*** – often overlooked – thus depriving sellers of this much-needed protection. Recent and most important court cases are discussed as well as the so called “property condition report”.

[Note, this is a repeat of the October 2016 seminar]

Gawie le Roux takes you through the court cases and provides you with hands-on practical knowledge to not only avoid the pitfalls, but also to draft solid, best practice agreements. A hallmark of Gawie’s presentations are the case studies and user-friendly notes included for easy everyday use.

WHO AND WHEN?

Conveyancers, litigation attorneys, estate agents, general property practitioners. Presented nationally during April and May 2018.
