INVITATION TO ALL LAW FIRMS

Lawyer.co.za is a new 'attorney listing' website,
but with a difference!

This website has lots of free information for members of the public: More than 365 FAQs on a wide variety of legal topics, as well as more than 250 Acts, free and updated. Members of the public can also locate an attorney or law firm. We dare say that this website is the largest free internet resource with regard to lawyers and the law in South Africa today.

With the explosion of internet usage in South Africa, members of the public are now researching topics online, including the law, and also when they require the services of an attorney or law firm.

Registration of your law firm via the website is simple and takes only a few minutes. The cost is R 210 per month, irrespective of the number of offices your firm may have. This includes your firm's listing on the Afrikaans website **www.prokureur.co.za**. For larger law firms with more than 25 attorneys the cost is R 500 per month. There are no contracts or annual increases and you can cancel your firm's subscription at any time. Visit us and register your law firm on **www.lawyer.co.za**

LOOKING FOR A CANDIDATE ATTORNEY?

Legal Education and Development, a division of the Law Society of South Africa, renders a free service that is beneficial to both prospective principals and prospective candidate attorneys.

This free of charge service operates as follows:

- Information regarding prospective candidate attorneys (law graduates) is gathered and kept in a databank. This information includes personal particulars, degree(s), working experience etcetera.
- Prospective principals contact Legal Education and Development (LEAD) if they need to appoint a candidate attorney.
- The data service will provide the prospective principal with the information required.
- The prospective principal then contacts the candidates of their preference to arrange interviews.

by the Attorneys Fidelity Fund.*
