CONVEYANCING & NOTARIAL EXAMINATIONS

Yes, it IS possible to pass first time round

WHY?

You'd like to expand your legal power with a Conveyancing / Notarial skill set. But standards are sky high. The exams are challenging due to the large volume of work and your time constraints. So given the high fail rate - and your current work load - is there a way you can pass on first attempt, with no prior experience?

GAWIE LE ROUX PREPARATION COURSES

There is simply no other set of lectures and notes available that meets the standard and exposition of these prepared courses since 1994.

"We work as a team. From us you get a 100% practical course, the best updated lectures and notes. What you must provide is 100% focus and hard work. Given this preparation and the right attitude, there is no reason why you can't pass first time round." Gawie le Roux

GIVE YOURSELF A HEAD START

Enroll early and get your full set of study notes in advance (English or Afrikaans). Give yourself the best chance to pass in 2019. Everything you need to go into that examination room with full confidence is included; a comprehensive set of study notes - no need or extra costs for additional hand books and material.

 **Rode & Associates**
PROPERTY CONSULTANTS, VALUERS
& TOWN PLANNERS

*Why you should use Rode & Associates
(Pty) Ltd as your property valuation firm*

With so many (alleged) shenanigans in the listed property sector, you should consider using a valuation firm that has the highest credibility in the industry.

Rode is one of South Africa's large independent property valuation firms and has been the annual overall top performer in the *pmr.africa* awards since 2015. For more info on these awards, visit our website at: www.rode.co.za.

Our credibility has been built over 31 years and is partially based on rigorous research. After all, we are also property economists of note and town planners and publishers of the esteemed *Rode Reports* – used by banks as a 'bible'. All our valuers have post-graduate degrees.

Contact our head of valuations, Karen Scott BComHons (Stell) BComHons (UCT), by email at karen@rode.co.za or tel. 0861 22 44 88.

INVITATION TO ALL LAW FIRMS

Lawyer.co.za is a new 'attorney listing' website, but with a difference!

This website has lots of free information for members of the public: More than 365 FAQs on a wide variety of legal topics, as well as more than 250 Acts, free and updated. Members of the public can also locate an attorney or law firm. We dare say that this website is the largest free internet resource with regard to lawyers and the law in South Africa today.

With the explosion of internet usage in South Africa, members of the public are now researching topics online, including the law, and also when they require the services of an attorney or law firm.

Registration of your law firm via the website is simple and takes only a few minutes. The cost is R 210 per month, irrespective of the number of offices your firm may have. This includes your firm's listing on the Afrikaans website **www.prokureur.co.za**. For larger law firms with more than 25 attorneys the cost is R 500 per month. There are no contracts or annual increases and you can cancel your firm's subscription at any time. Visit us and register your law firm on **www.lawyer.co.za**
