Preventing email hack at your firm

The Legal Practice Council (LPC) has on a number of occasions drawn the attention of legal practitioners to risks associated with cyber Crime and e-mail hacks.

The following article contains very useful tips for legal practitioners, not only conveyancers - https://www.tech4law.co.za/tech-advisor/email/preventing-conveyancing-email-hack-at-your-firm/?awt_a=A8_i&awt_l=B7A17&awt_m=3WdP1Lr9koRIP_i.

All legal practitioners are again urged to take all appropriate security measures and to exercise caution in all e-mail correspondence.

The LPC acknowledges the consent of Malcolm Pearson of Tech4law to distribute this link.”
