LPC KwaZulu Natal offices closed due to COVID-19 case

The Legal Practice Council would like to inform all legal practitioners in KwaZulu Natal that an employee has tested positive to COVID-19 at the Pietermaritzburg office.

The Pietermaritzburg office will be closed today to allow for the office to be decontaminated. All Senior Management will work from home and will have access to emails.

We would like to reassure all members of the public that these employees have displayed no symptoms and they will self-quarantine and be tested in accordance with the Government guidelines and out of an abundance of caution. The wellbeing of the Provincial Council employees and the public is of utmost priority to Council.

The office will be re-opened tomorrow.
