Tips to protect yourself when using public WIFI

The Legal Practice Council again highlights the risks of internet and e-mail frauds, and draws the attention of all practitioners to the following article, with acknowledgments to Mr Malcolm Pearson of Tech4Law and mybroadband:

<https://mybroadband.co.za/news/security/374058-top-tips-for-using-free-wi-fi-without-getting-hacked.html>

This article is particularly pertinent to those working away from their offices.
