Why you should use Rode & Associates as your property valuation firm

With so many (alleged) shenanigans in the listed property sector, you should consider using a valuation firm that has the highest credibility in the industry.

Rode is one of South Africa's large independent property valuation firms and has been the annual overall top performer in the *pmr.africa* awards since 2016. For more info on these awards, visit our website at: www.rode.co.za.

Our credibility has been built over 33 years and is partially based on rigorous research. After all, we are also property economists of note and town planners and publishers of the esteemed *Rode Reports* – used by banks as a 'bible'. All our valuers have post-graduate degrees.

Contact our head of valuations, Marlene Tighy BSc (Wits) Hons (OR) (RAU), MBL (UNISA), Pr Sci Nat, by email at mtighy@rode.co.za or tel. 086122 44 88.
