

PROVINCIAL COUNCIL ELECTIONS 2022

Nomination submission date extended to 04 February 2022

Dear Legal Practitioners,

The Legal Practice Council recorded a total of 170 accepted nominations by the original deadline date of 31 January 2022 at 16:00.

However, in a number of provinces the nominations did not meet the threshold that would constitute a full provincial Council as required by the LPA.

It is for this reason that the nomination period will now be extended to **04 February 2022** at 16:00.

The categories where nominees have not accepted nominations or there are no nominations at all are as follows:

Province	Required candidate
Eastern Cape	White Male Attorney
Eastern Cape	Black Male Advocate
Eastern Cape	White Male Advocate
KwaZulu Natal	Black Male Advocate
Northern Cape	White Female Attorney
North West	Black Female Advocate
North West	Black Male Advocate
North West	White Female Advocate
North West	White Male Advocate
Western Cape	Black Female Advocate
Western Cape	White Female Advocate

Important Reminder

As per the published guidelines, all submissions require both the 1st and 2nd nominator to be valid. The nominee will only receive a notification AFTER a second nomination registers on the platform – he/she must either accept or decline their nomination, for the nomination to be valid.

Any queries/questions concerning the elections process should be sent to lpcpe2022@ince.co.za.

Kindly provide your email address, mobile number and LPC member number to enable us to contact you – if necessary (Support will be provided during office hours only).
