Dear Legal Practitioners,

**Motlatso Mabudusha appointed as LPC Mpumalanga director**

The Legal Practice Council (LPC) is pleased to inform you that Ms Motlatso Mabudusha has been appointed as the LPC Provincial Director in Mpumalanga.

Mabudusha is an admitted attorney who started her career in private practice, she later joined the Law Society of Northern Province in 2017 (prior to the establishment of the LPC in 2018). She is well versed with complexities of regulating the legal profession and was exposed to various changes in our regulatory environment – this makes her an expert on the Rules, Code of Conduct and the Legal Practice Act.

Since November 2021, Mabudusha served as the acting director for Mpumalanga. Over this period, she has worked with the previous Provincial Council and the new Council elected in March 2022. She has also led the team well and has competently dealt with all issues within the Mpumalanga provincial office.

We are looking forward to her continued success and know she will take LPC Mpumalanga to new heights. We wish her every success this role!

Kind regards

**Legal Practice Council**
