Rode

PROPERTY CONSULTANTS & VALUERS

Why you should use Rode & Associates as your property valuation firm

With so many (alleged) shenanigans in the listed property sector, you should consider using a valuation firm that has the highest credibility in the industry.

Rode is one of South Africa's large independent property valuation firms and has been the annual overall top performer in the *pmr.africa* awards since 2016. For more info on these awards, visit our website at: www.rode.co.za.

Our credibility has been built over more than three decades and is partially based on rigorous research. After all, we are also property economists of note and town planners and publishers of the esteemed *Rode Reports* – used by banks as a 'bible'. All our valuers have post-graduate degrees.

Contact our head of valuations, Marlene Tighy BSc (Wits) Hons (OR) (RAU), MBL (UNISA), Pr Sci Nat, by email at mtighy@rode.co.za or tel. 086122 44 88.

Pretoria Correspondent

Foreign Law Associate Banking & Finance and Restructuring

About Van Doorne

Van Doorne are a large independent Dutch law firm located in Amsterdam. We are an informal, open organisation where people are encouraged to be themselves, develop initiatives and take responsibility. Creativity and an open mind are essential if you want to look at an issue from different perspectives. That is why we attach so much importance to diversity. It results in better solutions for our clients. And if they can operate successfully, we have achieved our goal. The effects of our approach are reflected in the awards and various high rankings we receive in Chambers and Legal 500. However, what is more important to us is that our clients, for whom we have been working for many years now, appreciate us for the personal relationship, the attention and commitment.

About the role

You would be:

- Working on cross-border financing and restructuring transactions for clients who belong to the top of the European/global real estate finance and commercial real estate market.
- Apply your knowledge of banking & finance law, property law, IPR and bankruptcy/restructuring law towards assisting our clients.

We offer you:

- Personal training on the job within a close-knit and motivated team.

To strengthen our banking & finance team, Van Doorne is looking for an enthusiastic associate with knowledge of/interest in banking and finance law, as well as real estate law. Our team works on complex and sometimes high-profile transactions that enable sustainable (re)development of and investment in Dutch real estate from our offices in Amsterdam and London. In addition to high-level legal advice, we are expected to have an eye for commercial, but also other interests of the parties involved, to be solution-oriented whilst at the same time maintaining integrity.

We work for a diverse international clientele of banks, insurers, investors and developers who are well informed in respect of Dutch real estate. Their bar is high and so is ours. This may concern an American private equity investor, a German bank, a French insurer or a large Dutch developer. We are a close-knit and passionate team of lawyers and civil-law notaries.

In exchange for your efforts, we offer a pleasant working environment in which you are valued for your contribution.

Skills And Experience

- Law Degree (LLB) with excellent academic credentials. LLM qualification (ideally in financial/banking field) will be an advance.
- 3 to 5 years relevant post-qualification working experience, gained at a law firm or in-house legal department.
- Expertise in drafting and negotiating financing and related security documentation.
- Negotiation skills and experience.
- Transaction management and strong organizational skills
- Business international level of English – both written and oral, preferably you also speak South-African.

Are you interested and do you want to know more, please contact Isabel Kooij (Senior Recruiter), Angelique Thiele (Partner Real Estate Finance) or Estelle van Heerden (Senior Associate Real Estate Finance). Please also visit our website: www.vandoorne.com
