NOTICE TO LEGAL PRACTITIONERS

Dear Legal Practitioners

The Legal Practice Council would like to bring to the attention of all legal practitioners that the tax practitioner registration process is now active, this process is to ensure that taxpayers receive advice in line with SARS Legislative Requirements and professional services from tax practitioners. All tax practitioners regardless of the Recognised Controlling Bodies (RCBs) they are registered with, should have the same minimum professional and behavioural conduct.

A comprehensive guide on tax practitioner registration requirements for LPC members is available on our website. <https://lpc.org.za>

The registration process including vetting will be conducted via our provincial offices. A list of LPC officials assisting with Tax registration for Legal Practitioners is listed below:
