**DIRECTIVE**

Practitioners are reminded that in terms of Practice Directive 24F, only bulk Rule 46A applications may be enrolled by the Chief Registrar with the permission of the Acting Judge President and no other matters.

Practitioners are also requested to kindly remove matters from the Roll timeously where a date has been obtained with a Third Division allocation form, but for whatever reason the matter will not be proceeding. Failure to do so results in the Roll being unnecessarily filled when other matters could be enrolled instead.

Matters must be removed at least 3 days before the Roll closes, and delivered to the 3<sup>rd</sup> Division Clerk and **not** Room 1 General Office.
