## INVITATION

### BENEFICIAL OWNERSHIP REGISTER WEBINAR

CIPC has been mandated in terms of the General Laws Amendment Act, the Companies Act and its Regulations to establish a register of Beneficial Owners for all entity types registered in terms of the Companies Act and the Close Corporations Acts as amended.

The new register is linked to developments that were announced by the Financial Action Task Force through our National Treasury in terms of the Action Plan that South Africa needs to implement in order to mitigate the risk of continue being under increased monitoring / "grey listing".

We invite you to join us for a webinar where we will provide comprehensive information on how our system operates and offer guidance on successfully completing your filing. This webinar will cover the BO Register in detail and clarify the specific requirements we have for all filers.

**DATE: 13 June 2023**  
**TIME: 10h00 to 12h30**

The webinar will be streamed live on CIPC Facebook and YouTube.  
No need to register. Simply follow CIPC on **Facebook** or subscribe to CIPC on **YouTube**.
