

INVITATION

NATIONAL *Wills* WEEK

The Department of Justice and Constitutional Development in 2017 adopted The National Wills Week Campaign, an initiative of the Law Society of South Africa (LSSA), as part of its Public Service Month programme. The National Wills Week initiative assist members of the public who would not normally make use of the services of an attorney, or who may hesitate to consult an attorney for fear of the possible high fees resulting from a consultation with an attorney. The aim of the campaign is to make attorney's services better known to the public, to improve the image of the profession, as well as to create awareness on the importance of having a will. The Department will host an opening session for National Wills Week as follows:

Date: 11 September 2023
Time: 08:00am – 16:00pm
Venue: Thohoyandou, Tshisaulu

The Department cordially invites practicing attorneys in the Limpopo Province to participate in this session and assist with drafting of Wills for members of the public.

Kindly confirm your attendance no later than the **06 September 2023**, to Ms Priscilla Matsapola on Email: PMatsapola@justice.gov.za or Cell: **076 573 8082**. Any other content related issues can also be directed to Ms Matsapola.
