**Re: RAF 4 Submissions and Block Bookings**

In our efforts to improve the turnaround time to respond to the RAF4's we have created a focused email address where all RAF4 forms must be submitted. This will ensure that all submissions are given immediate attention and attended to timeously.

All plaintiffs' attorneys are requested, with immediate effect, to submit all RAF 4 forms to the following email address: **DBNRAF4Submission@raf.co.za**

Additionally, the RAF has resumed block bookings, and the attorneys must be on the lookout for our coordinators **Ronel Botha or Nadia Bux** with the details.

Thank you and regards,
