Subject: Online Session cancelled -Feedback session to legal practitioners/stakeholders on the progress around issues/challenges experienced at the Offices of the Master will no longer take place

Dear Legal Practitioners,

Please be advised that the session aimed at giving feedback to legal practitioners/stakeholders on the progress made regarding the challenges experienced at the Offices of the Master, **has now been cancelled.**

A notice was issued last week on 04 June 2024 advising legal practitioners that the Office of the Deputy Minister for Justice and Constitutional Development would be hosting an online meeting this week.

The Department has advised the LPC that the session would no longer be taking place this week – as soon as a new date/session is scheduled, a new advisory will be sent out to the practitioners.

Kind regards

Legal Practice Council
