---

I am a diligent and dedicated professional with an LLB degree from the University of the Western Cape, where I consistently excelled in completing all my academic duties. I am a hard worker with an unwavering commitment to my work. I completed Legal Process which I took as an elective module in 2022, this module exposed me to working closely with supervising attorneys at the UWC Law Clinic where my duties included drafting legal documents, participation in mock trials, file administrative duties, consulting and advising clients with legal matters under supervision. I pursued my Master's Degree(LLM) specialising in Commercial law in 2023 which due to financial constraints, has one semester pending completion.

## Skills/Abilities

---

- Analytical and logical towards problem solving
