Sir/Madam

Kindly be advised that the office of the Chief Magistrate has noted a shortage and there is a need of small claims commissioners for the small claims court in the Limpopo Region 11.

We would highly appreciate if the Legal practitioners in this region can avail themselves for purposes of access to justice by community members

The applications must be directed to the court manager of the office where the appointment is sought.

Dated at Polokwane on this 17 September 2024
